"Wendy's topics are timely, her information is practical and her delivery is highly engaging and interactive. I find that she brings a fresh perspective to the practice management side of dentistry. Her recent publication: *The Action Formula: The Shortest Distance Between What You Have and What You Want*, is a primer for both dentists and business people in general."

**M. Constance B. Greeley, DDS, Private Practice, Treasurer ,
Mid-Atlantic Society of Orthodontists**

"Thanks again for an incredible weekend!!!!!! The difference with staff morale and productivity is amazing. Personally, I feel completely rejuvenated. The insights I have gained are helping me in the hospital, exam room, and at home."

Daren Primack, MD, Pacific Heart and Vascular Medical Group

"Wendy is a skilled teacher who communicates complex, scientifically grounded processes in a simple and fun format. I found her training style to be both entertaining and practical. Because of this, I brought her in as a speaker for the Chicago Dental Society, and I have recommended her for future engagements."

**Robert Manasse, DDS, Director, Chicago Dental Society, Professor,
University of Illinois Dental School**

"We've hired Wendy twice to speak to our professional association and she always brings a lot of energy and insight to our group. Any group of professionals that has to work with other people, either the public or each other, can benefit from Wendy's work."

**Laura Dennison, M.A., CCC-A, Georgia Association
of Hearing Professionals**

"Our conversion rate instantly improved dramatically, but more importantly, our patient satisfaction rate soared. As a result of the workshop, everyone in the office works well together, highly motivated with a calm sense of purpose. My professional life has never been better."

Luke Curtsinger, MD, Coastal Plastics Surgical Group
